

## The Ottawa Mission Foundation Young Professionals Network Application

The Ottawa Mission Foundation's Young Professionals Network (YPN) will contribute to the success of The Ottawa Mission and its programs through volunteering, organizing events and fundraising. Being a member of the YPN provides a unique opportunity to experience how non-profit organizations function. You will develop a better understanding about what it means to be a committee member all while working alongside like-minded young professionals.

Members come from a range of different sectors and backgrounds, but are driven by their common goal of bettering their community and educating others about those experiencing homelessness in Ottawa, those suffering from addictions and more.

We encourage applications from individuals of diverse backgrounds in regards to gender, gender expression, race, ethnicity, creed, color, national origin, immigration status, sex, sexual orientation, religion, abilities, professions and educational backgrounds.

YPN will meet every other month during the evening for two hours. Members should be able to attend most meetings and commit additional time (at least 3-5 hours a month) for committee activities. All YPN members serve a one-year term and will serve on a steering committee (Volunteering, Events, Sponsorships and Fundraising). Additional leadership opportunities are available.

Please send completed applications and/or questions to [boran@ottawamission.com](mailto:boran@ottawamission.com). We look forward to hearing from you!

Note: In order to join OMF's Young Professionals Network, all applicants are required to complete The Ottawa Mission's volunteer application, interview with our Volunteer Coordinator, and successfully complete a police background check and reference check. All volunteers must complete a brief/mandatory volunteer orientation.
