## WHY CONSIDER MONTHLY GIVING?

The Ottawa Mission operates 24/7, 365 days a year providing food, shelter and vital services to hungry, homeless and hurting people who walk through our doors in search of a better life.

Supporting The Mission as a monthly donor – a Champion of Hope – is easy for you and provides a predictable funding source for our programs. We can plan ahead knowing we have your support.

As a monthly donor you can help ensure that The Mission continues to meet the ongoing needs of people in our community.

## WHO ARE YOU HELPING?

Your monthly donation touches the lives of many lost and lonely people in our community, and gives them the gift of hope and opportunity. John (see photo at right) is just one example.

John has been coming to us for meals for more than 15 years. He has a learning disability, and his employment options are very limited, so after paying his rent he often has very little left for food. After an unexpected rent increase John was forced to stay with us for a few months, and although we have now found him affordable housing, he will continue to come to us for meals every day because he needs to.

John is just one of so many people who rely on The Ottawa Mission because they simply have no other source of support. And the support we are able to offer is not only feeding the hungry and offering shelter to the homeless; but also helping people receive long term treatment for addictions, find an affordable place to live, and access valuable education and job training.

## BECOMING A MONTHLY DONOR IS EASY!

Simply decide how much you would like to contribute monthly, complete the attached form, and mail it to us. Sign up once and every month your gift is automatically debited from your bank account or credit card. You can change or cancel your monthly gift at any time, and you will receive a consolidated tax receipt at the end of the year.

*"I am so thankful that The Ottawa Mission's doors were open for me when I needed help the most."*

John, a Mission Client

**Food, clothing, shelter and so much more – as a Champion of Hope you are changing lives every day.**
