## **Introduction and Statement of Commitment**

The Ontario government passed the *Accessibility for Ontarians with Disabilities Act* (hereafter referred to as the “AODA”) in 2005. It is the goal of the government of Ontario to make Ontario accessible by 2025. The Ottawa Mission is committed to complying with the AODA, 2005 and all of the standards under it in order to meet the accessibility needs of persons with disabilities in a timely manner.

We are committed to providing a barrier-free environment for all stakeholders including our clients, employees, volunteers, job applicants, suppliers, and any visitors who may enter our premises, access our information, or use our services. As an organization, we respect and uphold the requirements set forth under the *Accessibility for Ontarians with Disabilities Act* (2005), and its associated standards and regulations.

The Ottawa Mission understands that we have a responsibility for ensuring a safe, dignified, and welcoming environment for everyone. We are committed to ensuring our organization’s compliance by incorporating accessibility legislation into our policies, procedures, equipment requirements, training, and best practices. We will review these policies and practices annually, as organizational changes occur, or in anticipation of compliance deadlines.

Providing an accessible and barrier-free environment is a shared effort, and as an organization, The Ottawa Mission is committed to working with the necessary parties to make accessibility for all a reality. For more detailed information on our accessibility policies, plans, and training programs, please contact our Human Resources Department at 613-234-1144, ext. 238 or via email at [hr@ottawamission.com](mailto:hr@ottawamission.com).

The regulations associated with the Integrated Accessibility Standards (hereafter referred to as the “IASR”) under the AODA require that effective January 1, 2014, The Ottawa Mission establish, implement, maintain and document a multi-year accessibility plan which outlines the organizations strategy to prevent and remove barriers for persons with disabilities and to meet its requirements under the Act.

Under the AODA, the following accessibility standards set certain requirements that are applicable to The Ottawa Mission:

- Customer Service;
- Employment;
- Information and Communications; and
- Design of Public Spaces.

This multi-year plan outlines The Ottawa Mission's strategy to prevent and remove barriers to address the current and future requirements of the AODA, and in order to fulfill our commitment as outlined in The Ottawa Mission's Accessibility Policies.

This Multi-Year Accessibility Plan applies to all Ottawa Mission premises both owned and rented.

In accordance with the requirements set out in the IASR, The Ottawa Mission will:

- Post this plan on its website ([www.theottawamission.com](http://www.theottawamission.com));
- Provide this plan in an accessible format, upon request; and
- Review and update this plan at least once every five years
