## **Independent Auditor's Report**

### **To the Directors of The Ottawa Mission Foundation**

We have audited the accompanying financial statements of The Ottawa Mission Foundation ("the Foundation"), which comprise the statement of financial position as at April 30, 2017 and the statements of operations and changes in fund balances and cash flows for the year then ended, and the related notes, which comprise a summary of significant accounting policies and other explanatory information.

#### **Management's responsibility for the financial statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

#### **Auditor's responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion.

**Basis for qualified opinion**

In common with many charitable organizations, the Foundation derives revenue from donations, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to donations revenue, net revenue (expense) and cash flows from operations for the years ended April 30, 2017 and 2016, current assets as at April 30, 2017 and 2016 and fund balances as at the beginning and end of the years ended April 30, 2017 and 2016. Our audit opinion on the financial statements for the year ended April 30, 2016 was modified accordingly because of the possible effects of this limitation in scope.

**Qualified opinion**

In our opinion, except for the possible effects of the matter described in the basis for qualified opinion paragraph, the financial statements present fairly, in all material respects, the financial position of the Foundation as at April 30, 2017 and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### 1 Purpose of the organization

The Ottawa Mission Foundation (“the Foundation”) was established to develop and administer the fundraising activities of The Union Mission for Men (“the Mission”). It is intended that the Foundation cover any deficits or cash flow deficiencies incurred by the Mission.

The Foundation is incorporated under the *Canada Not-for-profit Corporations Act*. As a registered charity under subsection 149(1)(f) of the *Income Tax Act*, the Foundation is exempt from income taxes.

### 2 Summary of significant accounting policies

#### Use of estimates

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of income and expense during the reporting period. Actual results could differ from these estimates.

#### Investments

Investments are recorded at fair value. Interest, dividends, distributions and changes in the fair value of investments are included in investment income.

#### Capital assets

Capital assets are initially recorded at cost and are then amortized on a straight-line basis over the estimated useful lives of the assets as follows.

Computer and communications equipment	3 years
---------------------------------------	---------

#### Revenue recognition

Unrestricted and externally restricted donations are recognized as revenue of the appropriate fund in the period received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.
