DESIGNED TO HELP YOU ADVANCE
URGENTLY NEEDED SOLUTIONS TO
HOMELESSNESS AT THE PROVINCIAL LEVEL

**TAKE
ACTION**

ADDRESS THE EROSION OF AFFORDABLE HOUSING ACROSS ONTARIO BY:

Reintroducing rent controls to
buildings erected after November
2018

Fully implement Bill 97 to amend the
Residential Tenancies Act and
prohibit bad faith renovations

IMPLEMENT THE AMO'S RECOMMENDATIONS TO END CHRONIC HOMELESSNESS

IN 2025, THE ASSOCIATION OF MUNICIPALITIES OF ONTARIO RELEASED A REPORT CALLING FOR:

An investment of \$11-billion over 10
years to create more than 75,000 new
affordable and supportive housing units.

This approach would prevent people
from becoming chronically homeless by
creating stable exits from homelessness.

An investment of \$2 billion over eight
years to tackle the immediate priority of
ensuring all people living in encampments
are safely and appropriately housed by
greatly increasing the capacity of support
services and supportive, transitional and
community housing.

These proposed investments would be in
addition to current levels of spending.

ADDRESS INADEQUATE INCOMES FOR VULNERABLE ONTARIANS BY:

Significantly increasing
social assistance rates
to enable vulnerable
Ontarians to live with
dignity and security.

Increasing the
provincial minimum
wage to enable
minimum wage earners
to meet their expenses
without having to work
multiple positions.

Reviewing the UNESCO findings
concerning the 2017 – 2019
Ontario basic income program.

The findings showed positive
impacts for the mental and
physical health as well as the
employment prospects of
participants, with a view to re-
establishing this program.
